Ikezawa's MC ①

First of all, thank you to all of you for buying this manga, whether or not you have bought my other works before. I have two Labrador retrievers at home. Ponta (Golden haired) and Guts (Black haired) As of today, December 97, they're both 8 months old (They're not related) Anyways I started having ideas for drawing them when Tsuitemasuka vol. 6 was out. Frankly, the thought of drawing manga with dog characters never occured to me before, thats why I felt weird. Why did I do it ? Because I thought to myself "Drawing dogs isn't that hard, right!?" I love them, but I never drew them before. So I just said to myself "Let's see how it goes!" (smile)

YOU'RE THE CHAIRMAN OF KOTOBUKI ACADEMY!
GRANDPA, DON'T BE SENILE YET,
How rude
THAT GUY IS USE-LESS!
BUT... WHAT ABOUT HIS DAD?
AT LEAST WAIT UNTIL SOICHIRO IS OLD ENOUGH TO SUCCEED YOU!

作者のひとこと

♥子供の頃から犬ガムチャクチャ好きだったので，2年半前，ラブラドル・レトリーバーのポン太（イエロー・♂）とガッツ（黒・♂）が我が家にやってきた時には，そりゃもう狂喜乱舞した。だが家もぐちゃぐちゃになった(笑)。この作品は，ポンちゃんたちへの親バカ（バカ親？）が高じて生まれた作品なのです。

So then, I got frustrated because I had difficulties everyday drawing dogs on paper Even so, drawing those you love is still a cheerful thing to do Because of the high difficulty level, I also felt like I'm achieving something big (smile) I'll do my best and I'll draw better, so please read till the end

It's a bit embarassing to say, but here are some private matters.

These 2 years, Yayu has been a partner of mine! I'm really thankful to you.
